

**INSTRUCTIONS:** New Sellers who were referred by a friend to Kids Exchange should turn in this form when they drop off their items. Please turn in the form at the door you enter with your items and give this form to our KX door worker. This verification form is how Kids Exchange verifies that the New Seller actually participated in the event by dropping off items for sale. We will add the Seller's name (who referred you) to the list of people allowed to shop early Wednesday 2/6 from 6-8pm. The person who recruited the new seller gets the early shopping privilege. Guest are not allowed during this private shopping period, (1) admission per new seller recruited. Thank you.

## REFERRAL PROGRAM VERIFICATION

\*With the KX Seller Referral program, if a current Seller refers a NEW Seller to our event, the current Seller is considered a 'Recruit Worker'. We value the time spent in telling someone new about our event and the time taken to explain the process and get the new Seller starter. Recruit Workers are rewarded with early shopping privilege on Wednesday 2/6 from 6-8pm. It is important the the NEW Seller brings this verification note with them when the drop off their items so that the Recruit Worker will get credit for the referral and be able to shop early.

The NEW SELLER may also recruit their own friend to sell and become a Recruit Worker as well if they would like to have early shopping privileges. Anyone can work with us and shop early!

Thank you for your participation!
