Review of Exception Policy:

* If a single parent or military spouse DOES NOT HAVE A SECOND ADULT LIVING IN THEIR HOME, they may click the link below, fill our a 'Work Exchange Exception Request Form' and mail it to the Kids Exchange with their request to bring a helper having a different address on their picture ID. Exceptions will only be made for a parent who does not have a second adult living in their home. The Work Exchangers falling into this category may request a 'Helper' to attend the sale with them. Requested 'Helpers' CAN NOT BE PREGNANT NOR HAVE A CHILD UNDER THE AGE OF 16. This rule will insure that the 'Helper' will be shopping for the Work Exchangers child and not shopping for their own interest. Example of suitable Helpers are Grandmothers without children under 16, babysitters who do not have children and are not pregnant, etc. Work Exchanger who fall under the exception criteria must mail in the form linked below 2 weeks prior to the upcoming event. The Helper must be approved by writing from Kids Exchange and the approved exemption form must be brought with the Work Exchanger and Helper as they check in for the sale.
