

KX DROP-OFF SERVICE SIGN-IN FORM:

NAME: _____ EMAIL: _____ PHONE: _____

MAILING ADDRESS: _____

KX SELLER #: _____ (If you have never sold before, write in 'NEW'.)

PLEASE CONFIRM THE STATEMENTS BELOW WITH YOUR SIGNATURE:

*I understand that it is my responsibility as the 'Reseller' not to bring recalled items to the Sale. To the best of my ability, I have confirmed that items I am selling have not been recalled.

*Kids Exchange Consignment Sale and KX Drop-off Service will take exceptional care of your items, but cannot be responsible for misplaced, damaged, or stolen items.

*I understand that my one time upfront cost of \$25 for Drop-off services will cover my first 200 items dropped off, and any additional items over 200 will be deducted from my Kids Exchange Consignment check at the rate of \$3 per every 25 items over 200. In addition, the \$15.00 Seller's fee will apply and be deducted from each consignor's pay check and goes to Kids Exchange for cost of renting the buildings.

*All items that I will give to Charity (if unsold) are designated with a white tag.

*All items that I will pick up on Monday 7/22 (7am-10am only) are tagged with a colored tag. Items tagged with a colored tag and sorted for pick-up (if unsold) MUST be picked up. It is VERY time consuming to sort items for pick-up. Thank you.

*For the integrity of this sale, any item with stains, missing buttons, tears, excess wear, etc. will be pulled and donated to charity at the discretion of the Kids Exchange and will not be returned. Please leave only items that meet these standards.

*Our "Lost Tag Policy" is available for your review at the Information Desk.

*I am bringing no more than (15) of my best Juniors size clothing and understand that this is all KX allows me to bring. I understand that KX does not accept Walmart, Kmart, or Target brands in the Junior section. (KX does accept these brands in all other sizes).

*I understand that I am not to leave any stuffed animals worth less than \$5 (retail \$15).

*I understand that I am not to leave more than 5 pairs of shoes (must be priced \$5+).

*I understand that it is my responsibility to pick-up my unsold items and that KX Tagging does not offer a 'pick-up' service. I give permission for all items left after 10am on 7/22 to be donated to charity.

*If someone is picking up your items for you (if unsold), they must have your sale-specific Sort Number and you must print the "Unsold Items Pick Up Release Form" available on the SELL page of our website. It's important that the person picking up for you understands that all items (other than clothing) will be "semi-

sorted” by the hundreds, (not sorted individually). It may be more difficult for someone other than yourself to find your items.

ANY ITEMS NOT PICKED UP Monday 7/22 (between 7am - 10am) WILL BE DONATED TO CHARITY REGARDLESS OF THE COLOR OF ITS TAG.

*In the case of severe weather - I will visit the Kids Exchange website for any changes and important information: www.KidsExchange.net (Look for a highlighted note on the SCHEDULE AND LOCATION page.)

*I am shopping, selling or working in the Kids Exchange buildings at my own risk and will not hold Kids Exchange responsible for any incident that may occur while involved.

*KX Drop-off Service is a 3rd party company that has partnered with Kids Exchange Consignment Sale to bring you this service. KX Drop-off is not owned by Kids Exchange Consignment Sale.
